Lasting Legacy

Beyond the Event: Building a Permanent Legacy

Sponsoring the ArtBox events provides immediate funding, but we recognize that true transformation requires a long-term investment.

For businesses or individuals who wish to make a significant, multi-year, or endowment-level commitment (typically \$10,000 and above), we offer the opportunity to become a **Founding Architect of the NCW Creative Economy**.

This level of partnership ensures your business or family name is permanently recognized as a key creator and foundational supporter of our long-term vision: establishing a successful creative economy where young people can build careers and contribute to our region without having to move away.

Your name will be known for all time as the launchpad for a successful, sustainable arts ecosystem in North Central Washington.
